Phil McKenzie
Manager, Management Information System
Safety & Risk Practice Pty Ltd
Level 3
218 St Georges Terrace
PERTH WA 6000

Dear Phil

I would like to thank you and Safety and Risk Practice for the delivery of specialist advice and training workshops in the application of Bow Tie risk assessment methodology.

The training was comprehensive, expertly delivered and used simple practical examples that were easily understood by a wide range of employees from different business units and backgrounds.

The workshops were well received and we had nothing but positive feedback from the participants.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "M Canham", is written over a light blue circular watermark.
